There was immediate talk of transferring classes to what Ne-

vadans call "the hat factory." Nevada's Industrial Development Commission built it about three years ago on U.S. 71 about a mile north in order to attract a hat manufacturing firm. The company soon changed hands, and the new owners dismantled

their machinery and moved out. Ben Weir, chairman of the development commission, contacted the Hat Corporation of America at Norwalk, Conn., and initiated a move for the school board to take over their building on an emergency basis.

Time to Get Moving

It's good weather for Christmas shopping Better take the opportunity while it lasts.

Generally fair and warmer tonight and Saturday; low tonight near 30; high Saturday in mid-50s.

The temperature at 7 a. m. was 21; 49 at 1 p.m., and 50 at 2 p.m. Low Thursday night 21.

The temperature one year ago today, high 29, low 6; two years ago, high 43, low 37; and three years ago, high 54, low 38.

Big Christmas Parade Will Start at 10:30 Saturday; Route Given

When the parade starts at 10:30 Saturday morning Old Santa expects the youngsters from all over the Sedalia area to be lined up along the parade route to watch for him. Just in case any child doesn't know which way the parade will go, here is the line of march again: East on 16th from Vermont, the starting point, to Kentucky, north on Kentucky to 14th; east on 14th to Ohio, north on Ohio to Main, west on Main to Osage, south on Osage to Third, Fourth, and Fifth, using those streets on which to disperse the units.

This will be a parade filled with the Christmas spirit, beautiful floats, lots of bands, clowns, favors for the kiddies, horses, and of course, the happy old gent himself, Old Santa Claus, riding on a fire truck.

So dramatically new, even the door locks are electric!

A detail, to be sure. But then, this 1957 Lincoln was designed to be detail-perfect, to be the finest of the fine cars! You'll see the proof everywhere you look: in the long, low, trend-setting lines, the new industry-pacing Quadra-Lite Grille, the sweeping flare of canted rear blades, the doublewidth parking lights. You'll find a new kind of perfection in Lincoln's elegant appointments, in the smooth new serenity of Hydro-Cushioned

Ride. And in the effortless driving that only Lincoln's complete array of power-servants gives you, from 6-way power seat to electric door locks. Best of all is the performance that puts you instantly ahead of all other fine cars; assured by the powerful Lincoln engine-with its quickacting Turbo-Drive Transmission. Why not come in today-see America's fastest growing fine car. Unmistakably the finest in the fine car field.

Wedding Contrasts In The Navy Service

WASHINGTON .- Two recent naval weddings prove that it pays to be a high-ranking officer. It may mean the difference between whether

Wedding No. 1 had as bridegroom Capt. Conrad W. Craven, commanding officer of the airborne early warning wing, U. S. Atlantic fleet. Two weeks ago the world crisis and the White House was worried about Russian maneuvers in the Near East and Hungary. On the morning of November 17, however, Captain Craven flew to Lincoln, Neb., on a "training flight"-just in time to attend his own wedding.

defense against a Russian sneak attack.

When Captain Craven made his "training flight" the nation's armed forces had been "alerted" up and down the Atlantic coast and in

his own wedding more important than the world crisis, for he took his Navy constellation off the nation's defense line in order to join his

"It was strictly a training flight," insisted the Captain when asked whether he had flown a Navy plane to Lincoln on November 17.

luctantly concurred. "Yes, I believe there was one," he replied.

Captain Craven denied that he had made the flight specifically in order to attend his wedding

vigorously. "On that particular day I had four cross-country instrument training flights. No one of the flights was ordered to go on any particular route. Certain routes are established for various training flights. One dropped down at that base. It wasn't established for that purpose. It was completely chance. It was a strictly legitimate training flight in every sense of the word. There was no private interest except

RICHMOND (Va.) TIMES DISPATCH: Liquor's Role. Many law enforcement officials believe that liquor is a far greater factor in traffic accidents than the bare statistics show. Results of a new procedure being used in Delaware

Data based on 91 fatal crashes show that 57 of them included some degree of alcohol involvement either with drivers or pedestrains. Thus, in nearly 63 per cent of the accidents, someone had been drinking.

involved either a driver or pedestrain with blood alcohol content of .15 per cent or above. The laws of Virginia and 21 other states provide that readings of .15 per cent above furnish a presumption that the person is under the in-

No Serious Commitments-

Believes This the Elvis Presley Century

By ED CREAGH Associated Press Analyst

POLITICS

WASHINGTON (P)-Maybe this will become known as the Elvis Presley Century.

It's whiny, sneering, trembly in the legs and it makes a lot of Its voice is discordant to every-

body except teen-agers. It reeks of sex instead of romance, but it runs like a hare from serious commitments.

Maybe, like the groaning postadolescent from Tennessee, the 20th Century is more a fad than a reality. Maybe we'll get over it by the year 2000, which is no encouragement to those of us who don't expect to be around that

We don't have, as the post fused, however, citing the national emergency. World War I days had, a lost gen-In desperation Miss Boyce contacted Congress- eration.

We've lost a whole century. We split the atom and opened the door to power and riches undreamed of. Instead we used this new tool to blast two cities level with the earth and raced on, idiot fashion, finding bigger and better

ways to blow ourselves to pieces. We built a standard of living that put two cars in many a garage - four, for that matter, in a certain male canary's entourage - but we begrudged the money to build the schools to educate our kids.

Looking Backward ...

TWENTY-FIVE YEARS AGO

Members of the Pettis County Bar Association voted to become affiliated with the State Bar Association at a meeting Monday, Nov. 30. Officers were elected, Judge George F. Longan being made president emeritus; Lee Montgomery, president; Earl Crawford, vice-president; Frank Hayes, secretary; and John Martin treasurer.

1931 J. A. Davis, for a period of about 25 years superintendent for the MKT, with headquarters in Sedalia, died Sunday, Nov. 29 at Los Angeles, Calif. After leaving Sedalia, he was with the Pullman Co. at Chicago, later retiring.

1931 Julius Caspary, traveling salesman, former resident of Sedalia, died at the Warrensburg clinic Sunday after being fatally injured in an automobile accident near Concordia on Highway 40.

Sunday, Nov. 29, Trinity Lutheran Church, Tenth and Osage, celebrated its 37th anniversary with special music and services conducted by the Rev. Henry

the perfect gift

At Christmas gifts are given to celebrate the birth of Jesus nearly 2000 years ago. Yet how often do we choose a gift in keeping with the real meaning of Christmas? This year you can give the most appropriate gift of all — the Revised Standard Version Bible. The RSVB is so clear and powerful, so easy to read that it brings new understanding of the great stories, parables and teachings of the Bible. It is truly a wonderful book to own and to give.

Teen-Agers Hold Purse Strings, And Now Businessmen Know It

President of the Gilbert Youth

In a previous column we disbig business. Now let's turn the question around. What does big business, and little business too, think of United States teen-agers?

The answer can readily be given in terms of dollars and cents. There are more than 16 million of 13 and 19 years old in the nation today. One of our surveys shows these teen-agers have nine billion dollars-in the form of allowances or direct earnings - to

by the young people themselves on a vast variety of consumer products, chosen by them and this market will have expanded, because of population gains, to 24 million teen-agers with pocket money totaling at least 14 billion

With that kind of money in their jeans, teens cannot be anything to them for present markets.

If teen-agers are depressed have completed their formal edutribute directly to the support of Patrons Can about the notoriety given to youth- cation but many have after-school their families, but most of them ful crime, the rock 'n roll fad jobs on a full-time basis. Another do it in the form of taking care and dove-tail haircuts, they should four million teen-agers swell the be elated to find that business work force during the vacation ment expenses.
